# MEGHALAYA

## an explorer's paradise

Separating the Assam valley from the plains of Bangladesh, hilly Meghalaya – the ‘abode of clouds’ – is a cool, pine-fresh mountain state set on dramatic horseshoes of rocky cliffs.

The David Scott Trail, a 17 Km scenic trek, originating from Mawphlang ending in Lad Mawphlang, is a must for trekkers and adventure seekers alike.

The mountainous road leads through rivers and fountains, villages & chicken and a lot of flowers, on both sides.
